

PCIM

EUROPE

**Come See US at PCIM this May 16th to 18th,
Boot 242**

PCIM Europe (Power Conversion and Intelligent Motion) is the international leading exhibition for Power Electronics, Intelligent Motion, Renewable Energy and Energy Management.

International exhibitors inform themselves in three exhibition halls about the newest products, trends and developments in the power electronics industry. PCIM Europe is the forum for technologies for the whole value chain of the power electronics industry, from the components to the intelligent system.
